# Vermont Wood Studios

Vernon, VT

Vermont Woods Studios showcases Vermont's best fine furniture makers. These craftsmen have been creating exclusively 100% American made collections of heirloom quality, real solid wood furniture for generations. Our eco-friendly Vermont Made Fine Furniture is handmade using premium solid hardwoods which are sustainably harvested from well managed

Stonehurst, a 220 year old New England farmhouse perched on the former "Pine Top" ski area in Vernon is the site of Vermont's newest fine furniture and home décor showroom. The Stonehurst project (8 years in the making) was given a boost in 2013 by a \$100,000 grant from Vermont's Working Lands Enterprise Initiative. "The Working Lands grant enabled us to complete construction and open the doors to Stonehurst a full year ahead of schedule" said co-owner, Peggy Farabaugh.

Total Working Lands Grant—\$100,000.00

Total Match provided by Vermont Wood Studios —\$100,000.00

Stonehurst offers Vermont's high quality, handmade furniture and home décor items in a relaxed and scenic venue. "Our customers value high quality, sustainable products and we're looking forward to offering them Vermont's finest brands (including Copeland, Lyndon, Hubbardton Forge and Simon Pearce) all in one place" said Farabaugh. "The 100 acre woodland we're located on rounds out the Vermont experience and lets customers enjoy nature, a glass of wine and panoramic views of the Green Mountains while they shop."
